Cozy Cats reviewing kilors

COMMENTS (3)

- Too many unnecessary comments
- Comprehensive
- Good effort!

STYLE (4)

- More spaces
- Consistancy is nice

ROBUSTNESS (4)

- Very Comprensive
- Nice test cases

README (4)

- justification for use of doubly-linked nodes ✓
- listed all methods clearly ✓
- neat and organized ✓
- maybe expand on development plan ?

REVIEW BY _doge   FOR   KILORS

4 COMMENTS comments are very descriptive

3 STYLE   QQKachoo & Driver style different; not enough whitespace in QQKachoo; everything 1 line.

3 ROBUSTNESS methods implemented pretty robustness however many useful methods not implemented

2.5 README needs more information in README not in comments
